During this time of the coronavirus pandemic, everyone should be self-monitoring, practicing good hygiene, and practicing social distancing.

Coronavirus (COVID-19) is a respiratory illness that can easily spread from person to person.

Ending self-quarantine

Students who tested positive for COVID-19 may discontinue self-quarantine if they meet the following criteria:

- At least 3 days (72 hours) have passed since fever has resolved without the use of fever-reducing medications
- Resolution of respiratory symptoms (cough, shortness of breath)
- At least 10 days have passed since symptoms first appeared

Please call the Campus Health Center at (313) 577-5041 before discontinuing quarantine.
