

Coronavirus (COVID-19) is a respiratory illness that can easily spread from person to person.

During this time of the coronavirus pandemic, everyone should be self-monitoring, practicing good hygiene, and practicing social distancing.

Ending Self-Quarantine

Students who tested positive for COVID-19 may discontinue self-quarantine if they meet the following criteria:

- At least 10 days since symptoms first appeared **and**
- At least 24 hours with no fever without fever-reducing medication **and**
- Symptoms have improved

If you continue to have no symptoms, you can be with others after:

- 10 days have passed since the date you had your positive test

OR

- After you receive two negative test results in a row, from tests done at least 24 hours apart.

Please call the Campus Health Center at (313) 577-5041 before discontinuing quarantine.
